Dear Parent/Guardian,

We are very excited about getting back to school! Although your child will not be joining us on campus, it is very important to us that they have a strong start academically beginning Tuesday, September 1. The following information may be accessed on the district website under the Instructional tab and by clicking on the At Home Learning Card.

### **Access to Email & Online Platform**

Students must use Google Chrome and set up their Edgewood ISD email prior to gaining access to the learning platform. Directions and how-to-videos may be found by following the directions above.

### **Complete At Home Learning Student/Parent Agreement Form**

Students and parents must complete the At Home Learning Student/Parent Agreement form for each child, also found by clicking on the At Home Learning Card.

### **EISD Meal Order Form**

Students may still access cafeteria services. Please complete the Edgewood Meal Order Form by Sunday evening for each week found under the At Home Learning Card. Meal pickup will be at the Elementary Cafeteria EAST entrance at 9:30 am daily. Parents must use their existing MY SCHOOL BUCKS account or set up an account to pay for meals. Directions may found on the district website cafeteria tab.

### **Switching from At Home to Face to Face**

Students may switch from At Home to Face to face at the end of each grading period. There will be a 3 week window at the beginning of school in which students who are remote may choose to attend face to face. Students/Parents must complete "The Return to Campus" form found under the At Home Learning Card. The deadlines to switch to face-to-face each grading period are October 12; December 14; March 8.
